### More about use of cookies and Google Analytics

Nemko's website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how you use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States.

Nemko has activated IP anonymization, which means that Google will truncate/anonymize the last octet of the IP address for Member States of the European Union as well as for other parties to the Agreement on the European Economic Area. Only in exceptional cases, the full IP address is sent to and shortened by Google servers in the USA. On behalf of the website provider Google will use this information for evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage to the website provider. Google will not associate your IP address with any other data held by Google.

You may refuse the use of cookies by selecting the appropriate settings on your browser. Note that if you do this, you may not be able to use the full functionality of the website. You can prevent Google's collection and use of data (cookies and IP address) by [downloading and installing this browser plug-in](#) [1].

Further information concerning the terms and conditions of use and data privacy can be found at <http://www.google.com/analytics/terms/gb.html> [2]. Note that on this website, Google Analytics code is supplemented by "gat.\_anonymizeIp();" to ensure an anonymized collection of IP addresses (so called IP-masking).

By using Nemko's website, you agree that we may set cookies on your browser.
